## FESTIVE CREATIVITY AT THE TABLE

Cooking together at the table turns every meal into an unforgettable culinary adventure. Funcooking is not just about preparing meals, it is also about sharing fun, laughs, and special moments.

### CULINARY ENTERTAINMENT

Our extensive Funcooking range brings the restaurant feeling to your dining room. Discover the fun of frying, grilling, and fondue in good company. Our Aspen collection has been carefully put together to ensure every culinary adventure becomes a wonderful experience.

### CREATE TOGETHER, ENJOY TOGETHER

Funcooking gathers everyone at the table to enjoy each other's company and tasty food. You can experiment with ingredients, flavour combinations, and cooking techniques. It's your chance to let your inner chef shine and enjoy the fruits of your creativity.

### BRING THE PARTY TO YOUR TABLE

Our Aspen line offers a wide range of options, from grilling and fondue to raclette. Our appliances provide shared conviviality at both an intimate dinner and a festive event. Invite friends and family to enjoy a culinary adventure together.

Funcooking at the table – such as with a raclette, gourmet, or fondue – means you, the chef, can sit at the table too. Cook and chat with the group instead of disappearing into the kitchen during the best moments.
