## ODE TO THE CRAFT

The Basalt series is the first series that Charlotte Lannoy developed for Cozy&Trendy, for her it is important that it contains a piece of her creativity. Here, Charlotte opted for clean lines in the stoneware, combined with shades in the glaze, without losing sight of the basic product. The name Basalt refers to the dark clay that characterises this series. Available in 2 compatible colours.

### PURE PASSION AND CRAFTS

With this series we bring the authentic story of Charlotte Lannoy, but in the coming years we will offer many more craftsmen a stage. For example, we plan collaborations with a unique glass blower, a traditional leather worker, etc. Each and every one of them is someone who wants to share their passion!

### THE COOPERATION WITH COSY&TRENDY

"Before Cozy & Trendy proposed a collaboration, I'd never really given thought to doing this on a larger scale. It had always remained a hobby; the pieces I made were for myself or for family and friends." Charlotte was surprised by the request. A collaboration with an established name like Cozy & Trendy was really a big step. "At first I doubted whether I was good enough. Luckily my husband motivated me to go for it. Now I have to stay creative and continue with what I'm doing, but it's awesome!" We're very much looking forward to the cooperation.

### COLORFUL AND QUIRKY

You can't just stick a label on Charlotte's ceramics. Charlotte loves different colours, shapes and styles and likes to experiment with new trends. "I really like the colour green. You will find this in many of my creations. Green fits in every home and there is a green touch everywhere. Just look at nature." Charlotte's bowls and plates that are being marketed under the Crafts name are a milestone in her career and a testament to her dedication and craftsmanship.
