

COBALT

INVITING BLUE DEPTHS

The sophisticated range of stoneware plates, bowls, cups and bowls of the Cobalt range is an ode to the beautiful depths of the natural world with a unique design and striking colours. The shape of the Cobalt tableware is a play of light and movement, with gently undulating edges adding a playful and vibrant element to the tableware. Each piece is carefully designed and shaped to create a stylish yet organic look. The subtle imperfections in the shape add character and enhance the natural feel of the tableware.

ELEGANT PRESENTATION

Cobalt exudes natural elegance and offers a summery presentation mirror for dishes and appetisers. The tableware is a striking eye-catcher on the table and adds a touch of sophistication to any meal.

SPARKLING COLOURS

The deep blue tones evoke images of serene waters and lush landscapes, giving a sense of tranquillity. The carefully applied reactive glaze creates a striking play of colours and hues. Think of the sparkle of sunlight on a deep sea or the enchanting sight of coral reefs from the air.

REFINED FINISH

The exterior of the Cobalt -series has a soft creamy white colour, enriched with subtle light elements that add a rustic element. The golden brown exterior is like a golden rim of elegance. With Cobalt, you don't just bring a meal to the table. Every dish served on this tableware becomes an experience in itself, empowered by its beautiful shapes, colours and details. Discover the magic of Cobalt and give your dining table a touch of natural beauty and sophistication.
