

DELISH

ESSENTIAL FOR EVERY AMATEUR CHEF

These Delish kitchen tools are the ideal kit for the budding hobby chef. With their sleek, contemporary design and matt black look, these utensils will fit into any kitchen. All Delish kitchen tools are easy to hold thanks to the ergonomic plastic handle. Delish can also conveniently be put into the dishwasher and is easy to store thanks to the handy hanging loop. Delish is finished at the top with fibreglass-reinforced nylon. So these tools can effortlessly handle temperatures of 200°C.

DURABLE KITCHEN TOOLS

With Delish, you bring quality into your kitchen because the entire range consists of stainless steel, finished with plastic handles or nylon reinforced with fibreglass. The nylon allows you to use the Delish tools trouble-free in pots and pans with a non-stick coating.

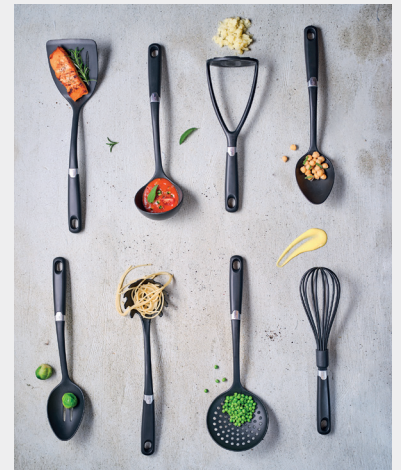

THE IDEAL STARTER PACK

If you are just moving in together or are a hobby chef keen to invest in quality equipment, the Delish range is the ideal choice. With their contemporary look, the tools fit into any kitchen and complete any culinary task.

MODERN DESIGN

These Delish kitchen tools are the ideal kit for the budding hobby chef. With their sleek, contemporary design and matt black look, these utensils will fit into any kitchen. All Delish kitchen tools are easy to hold thanks to the ergonomic plastic handle. Delish tools can conveniently be put into the dishwasher and store easily thanks to the handy hanging loop.
