

DIVINE

THE BEAUTY OF PERFECT IMPERFECTION

The plates and bowls of the Divine series embody the beauty of perfect imperfection. This tableware explores a unique aesthetic where imperfection is transformed into art and where roughness and refinement merge into a harmonious whole.

Each piece in the Divine series has its own character, with a distinctive rough feel and appearance on the inside. This characteristic is achieved by a reactive glaze that creates a fascinating and unique effect. Fine lines and dots radiate outwards, like a big bang of whimsical energy that vibrates the centre of each piece.

EARTH & MOON

The Divine tableware is available in two colour variations. In the Earth version, warm earth tones such as ochre are combined with subtle speckles and stripes that gradually transition to rich grey-brown tones at the edges. This colour palette evokes the atmosphere of autumn, with its vibrant warmth and inviting charm. The Moon version of Divine seduces more subdued with shades of soft grey reminiscent of the lunar surface or bursting bubbles.

INVITING ROUGHNESS

The Divine range invites touch and feel, with its unique rough, and slightly abrasive texture. Divine embraces the beauty of the whimsical unexpected, bringing a captivating dimension to your table setting.

CONTROLLED WILDNESS

What makes Divine so remarkable is its ability to stand out without being showy. The tableware has an understated wildness, a subtle sophistication that arouses curiosity and invites a deeper exploration of its unique details. Both the warm earth tones of Earth or the serene grey tones of Moon add an extra dimension to your dining experience. Divine is a tableware that challenges the boundaries of tradition and invites you to enjoy a table setting that is as captivating and unique as yourself.
