

ETNA

SUSTAINABLE & AESTHETIC

The beautiful Etna tableware is a real eye-catcher on any table, thanks to its robust finish and unique color shades. This tableware series is made of high-quality porcelain, reinforced with aluminum oxide. This finish ensures high scratch resistance and optimal durability. The Etna range includes bowls, plates, and cups for every occasion.

UNIQUE LOOK

The Etna tableware elevates every table with its rather sturdy, angular edge finish and dark brown matte glaze, combined with lighter earthy tones. This color combination gives the plates and bowls a natural yet mysterious look.

EXTREMELY DURABLE

The Etna tableware is built to withstand knocks, thanks to the high-quality aluminum-reinforced porcelain and the quality glaze layer. This makes the plates and bowls highly resistant to heat and scratches, making them suitable for intensive use.

COMPLETE SET

The Etna range includes not only stackable deep and flat plates but also bread plates, elegant pasta plates, and serving bowls. A delicious meal can be finished off with a cup of coffee or tea in an Etna mug or cup. The milk jug completes this stylish tableware set.
