FRISS helps active pleasure-seekers enjoy delicious cold or warm drinks and chilled food on the go. With our sleekly designed insulating bottles and boxes, you not only look trendy, but you also enjoy a refreshing break, a warm lunch, or a hot coffee. Our assortment comes in cheerful green and blue and includes everything you need for an active lifestyle. FRISS products are not only practical and convenient, but also bring joy and style to your daily routine. Choose quality, convenience, and a fresh look. FRISS – never lukewarm breaks again!

UNMATCHED QUALITY

At FRISS, quality comes first. Our isothermal products pass the strictest international tests and excel in temperature regulation. Thanks to high-quality materials and advanced production processes, we deliver a perfect result, ensuring that your drinks and meals always stay at the right temperature. Warm stays warm, cold stays cold – just the way you want it.

STYLISH AND FRESH DESIGN

With FRISS, you choose not only functionality but also style. Our Belgian design combines a sleek and modern look with practical usability. The fresh green and blue tones add a cheerful touch, while the minimalist design ensures you always travel in style.
