

ATLANTIS

TWO STYLES OF TABLEWARE IN SUNKEN BLUE

Atlantis is a series with two matching styles: Stripe and Circle. With deep blue colors, both draw the eye to the center of the plate. The reaction of the glaze during firing also gives the pieces a subtle texture on the surface. The variations in the glazing patterns create an artisanal feel. The lightly decorated sides and dark edges of the dinnerware bring the necessary tranquility. The saucers have a molded ring that nicely centers the matching cup. The Atlantis series offers the standard pieces you would expect from a dinner service: a large plate, a deep plate, a dessert plate, a cup with a saucer and a handy bowl. The striking modern styles are sure to bring attention to your table!

BASIC SET IN EYE-CATCHING DESIGN

Don't need a multitude of presentation plates, saucers and cups, but want to draw attention to your culinary creations? The two distinctive styles of the Atlantis series offer a beautiful blue setting for any gourmet treat

AUTHENTIC FEEL

With the delicate lines of the glaze and the unique color variations, Atlantis dinnerware comes across as very authentic and artisanal. With a focus on readily usable plates, bowls and mugs, the series allows for smooth use in a variety of settings.
