

FONTESTIC

PERFECT STEWS EVERY TIME

The versatile Fontestic pans are essential for delicious stews on any stove. The cast-iron pans with an enamel interior distribute the heat perfectly and prevent food sticking. The lid with a droplet pattern keeps your food moist by constantly returning evaporated liquid to the food. The large, sturdy handles make the Fontestic casseroles easy to pick up and move. The cast-iron Fontestic pans are really durable and are available in 3 wonderful, unique colours: Green Heron, Rust, Amber Gold et noir.

BRAISING AND SIMMERING

Cook delicious meals in the cast-iron Fontestic pans, whatever hob you have, and in the oven up to 200°C. The pans retain heat well, so food cooks evenly without sticking to the pan. And the enamelled inside makes them easy to clean.

GRILL PAN

The handy grill pan will keep your food juicy and full of flavour. The ribbed, enamelled, cast-iron bottom sears your food fast with attractive grill stripes and retains heat well so your food cooks and browns evenly. Ideal for a healthy snack without much fat or washing up.

FONDUE SET

The Fontestic cast-iron, enamelled fondue set has a pan with two handles and a protective splash guard, six forks and a burner. Everything you need for a mouth-watering fondue!
