

MAUNA

MYSTERIOUS BACKDROP FOR DELICIOUS CREATIONS

Mauna dinnerware is a striking presence on any table. Its unique shapes really catch the eye. The high edges in soft white direct the eye to the fiery inside, where the reactive glaze creates a veritable explosion of colour. The soothing, organic shapes and the smooth surface of this dinnerware means that every plate and dish has its own story to tell. It is reminiscent of the crater wall of a gently bubbling volcano that only reveals its secrets upon closer inspection.

Thanks to the wide selection of plates and dishes, the Mauna collection will elevate any food you prepare to a higher level, whether you use it as a showpiece in the middle of the table or a striking plate for your pièce de résistance. Even a flower arrangement or decoration looks amazing in this dinnerware.

REACTIVE GLAZE

Every item is unique. In the kiln, the glaze always reacts slightly differently, leading to beautiful variations that are still perfectly harmonious.

HOLLOW UNDERSIDE

The Mauna range includes a wide choice of plates and dishes, allowing you to present any dish or snack in the perfect setting. Although the dishes are fairly high, the hollow underside makes them feel very light.

COSY CUP

The range also includes a striking cup. The large cup with its delicate handle has a traditional, cosy feel. It is ideal for delicious soup or a hot drink.
