

MELIA

CLASSICAL ELEGANCE IN EARTHY TONES

Present with character on this elegant tableware in a neutral colour palette. With raised edges, the Melia range gives a modern twist to a classic-looking porcelain tableware with artisanal character. The warm ochre tones with soft dark speckles evoke a charming rustic ambience. The completely flat surface of the bowls and plates ensures a beautiful and spacious presentation of culinary creations.

Melia is designed with versatility in mind. Plates, small dishes and bowls offer countless opportunities to present and share dishes. The raised edges have a darker reactive glaze on both the inside and outside.

With Melia, you not only enjoy artisanal appeal but also practical convenience. The bowls, plates and cups are cleverly designed to be easily stacked and stored. The tableware fits together beautifully, making it both space-saving and functional.

SOPHISTICATED RETRO-FLAIR

The combination of soothing colours and raised edges embodies a subtle retro flair, while the clean and modern design exudes timeless elegance.

COSY ENJOYMENT

The restrained yet atmospheric Melia tableware ensures warmth at the table. With carefully chosen soft colours, subtle details and a timeless look, this tableware immediately creates a cosy atmosphere.

STYLISH FUNCTIONALITY

Melia combines artisanal appearance with stackable convenience, making it not only visually beautiful, but also practical and space-saving for both professional kitchens and home use.
