## TIMELESS DINING

Dive into a world of understated elegance with this XL stoneware dinnerware. Inspired by the timeless shapes of shadows and lines, but with a modern twist. This range of plates, bowls, cups and saucers is designed to take your eating and drinking experience to the next level.

### CONTROLLED SIMPLICITY

The light grey concrete look of this tableware is an ideal surface for culinary creativity. Every dish gets the attention it needs on these plates and saucers. The subtle speckling adds a touch of charm, a nod to organic materials. The solid construction and weight guarantee their durability and quality.

### SURPRISINGLY SPACIOUS

A cup of coffee in the morning sun or a sumptuous dinner with friends? Then this tableware is sure to impress. The large plates offer enough space to present culinary creations, while the wide ears of the cups and bowls make holding them extra comfortable.

### PLAY WITH STRUCTURE

A notable feature of this tableware is the ribbed structure that moves outwards from the centre like a gentle whirlpool on the plates and bowls. This subtle detail adds visual depth. The contrast between the smooth and rough parts of the pottery adds a tactile richness that makes dishes even more special.
