## HIGH-QUALITY COTTON AND REFINED DESIGN

The Stoff kitchen textile collection is made from 100% cotton with a chambray weave, known for its denim-like appearance but with the softness and breathability of cotton. This weaving technique creates a smooth texture that not only offers comfort but also has a distinctive fresh look.

### UNIFORM COLOR PALETTE

All products in the Stoff collection are available in five beautiful colors: Amber Gold, Rust, Green Heron, Black Chambray, and Sand. These carefully chosen colors ensure an elegant look that not only combines well with each other but also perfectly matches the Cosy&Trendy Fontestic cookware.

### FUNCTIONAL DESIGN FOR DAILY USE

Every piece in our collection is designed with practical considerations in mind. From the roomy pockets in our aprons for storing cooking tools to the handy hanging loops on our oven mitts and pot holders, every detail facilitates daily use. The designs thus combine functionality with aesthetic flair.

### SUSTAINABILITY AND EASE OF USE

Sustainability is at the heart of the design philosophy of our Stoff collection. Each item is made to withstand frequent use in the kitchen. The materials are chosen with intensive use and easy cleaning in mind. All textiles are machine washable, suitable for tumble drying (except the oven mitt and pot holder), and easy to iron, contributing to the maintenance ease and longevity of the products.
